Tapestry

Did you know you can post on Tapestry? As well as liking and commenting on observations from the LB's team, parent/carer's can add to Tapestry too. Whether it's baking, bike riding, drawing or singing songs, we love to see what the Ladybirds enjoy doing at home so please share your photos and videos!

Spring has Sprung!

- 🐞 **Spring has sprung**, well for a week at least! We've been enjoying lots of spring time activities; planting spring bulbs and seeds, checking on our developing tadpoles, and going on bug hunts in the outside area.
- 🐞 We are really happy to welcome Liz H to the LB's team. Liz has settled into LB's very quickly and is really popular with the children.
- 🐞 After we read "the great pet sale" we had a visit from Liz H's Guinea Pigs with the children getting the chance to hold them and feed them dandelion leaves.
- 🐞 Ladybirds are taking home sunflower seeds they have planted. We would love to see how they've been growing so **please keep us updated on Tapestry.**

🐞 If you have any of the LB's spare clothes at home, please could these be returned as we're running low.

🐞 Many thanks to the parent/carers who joined the AGM. As a charity it is vital that the trustees have feedback from our members to ensure we run as effectively as possible.

What's happening this Term

Topics

- 🐞 **The Great Pet Sale** 
- 🐞 **Billy's Bucket** 
- 🐞 **Billy's Beetle**
